

## 31<sup>st</sup> Mint Directors Conference

---

19 July 2021

Dear Participant

### **RE: MDC2020 Coin and Packaging Competition**

As you are well aware, the Mint Director's Conference that was scheduled to be held in Cape Town in 2021 has been postponed due to the current Covid-19 pandemic. A decision will be made soon if the awards will be done virtually and if it will be done with electronic entries only. However in the meantime we would like to make the coins and packaging material submitted for the original competition, available for collection by your courier of choice.

Please take note of the following logistical arrangements:

1. Shipping will be on an ex-works basis with the original Mint that sent the product being responsible for the courier costs and risks associated with the shipment.
2. Most of our staff are still working from home and strict protocols are in place to limit the number of staff on our premises. South Africa is currently in lockdown and experiencing the third Covid-19 wave, we therefore request that you e-mail [Charlene.Bergman@samint.co.za](mailto:Charlene.Bergman@samint.co.za) with a contact person name and contact details, prior to booking your collection, to collate collections.
3. Please also copy [Charlene.Bergman@samint.co.za](mailto:Charlene.Bergman@samint.co.za) in on all correspondence regarding this shipment to ensure a smooth process.
4. Coins will be returned in the original packaging that they were received in as it has not been opened.

We thank you for your understanding and patience.

Yours faithfully

C Roux

On behalf of the South African Mint
